

**UPCOMING 12th GRADE STUDENTS
ONE DOSE OF MENINGOCOCCAL VACCINE
VACCINE MUST BE ADMINISTERED PRIOR TO FALL 2019**

- The State of Ohio requires completion of the Meningococcal vaccine for attendance to public schools.
- Exceptions **MUST** be filed with the school **prior to the start** of the school year.
- Please know this is not a local or district policy, **this is state law.** (ORC 3313.671)

Dear Parent/Guardian:

One dose of **MCV4** (Meningococcal serogroup A, C, W & Y) vaccine is **required prior to entry into the seventh grade & second dose prior to entry into 12th grade.**

Verification of an updated shot record is required by the Ohio Department of Health. You may have your health care provider fax the record to Licking Valley High School 740-763-0847

Ohio law requires all students to be in compliance with the immunization requirements by the 14th school day after entering school. The student who does not meet the requirements after the 14th day will be excluded until requirements are met.

If you have not already done so, please contact your student's healthcare provider or the Licking County Health Department to schedule an appointment for immunization.

Please contact the District Nurse for any further questions at (740) 763-3721.

Sincerely,

Melissa Queen, RN

Licking Valley District Nurse
