

CHILD FIND

A SEARCH FOR ALL CHILDREN WITH DISABILITIES

Licking Valley Local School District is required to locate, identify, and evaluate children within its boundaries suspected of having a disability.

Who are children suspected of having a disability?

*** A child appearing to exhibit a developmental delay; * A child with a suspected deficit in one or more of the developmental areas: communication, vision, hearing, motor skills; * A child who may be known to have or appear to have any of the following: autism; hearing impairment, including deafness; mental retardation; multiple disabilities; orthopedic impairment; other health impairment; emotional disturbance; specific learning disabilities; speech or language impairment; traumatic brain injury; visual impairment, including blindness.**

If you have or know of a child who may have a disability please contact:

Licking Valley Local School District

Mark McDaniel, Director of Student Services 740-763-3525
