I have read and understand the LVHS Plan for Credit Flexibility.

I understand that testing out **results in an academic grade**, counting toward athletic eligibility, grade-point-average and class rank. Once the test is finished, the grade will become part of the student's permanent record.

I understand credit flex credits earned through testing-out don't currently meet NCAA Clearinghouse standards for college athletic eligibility.

Student name: _____ Signature: _____

Parent name: _____ Signature: _____

This application is to be kept on file with the student's test, in the LVHS guidance office.
See other side for credit flexibility test-out grade scale.

Grade scale: In recognition of the fact that testing out of a class reflects mastery of a course's content, the grade scale for test-outs is as follows:

A = 93% - 100%

B = 87% - 93%

C = 80% - 87%

F = 0% - 80%
