---

Dear Parent/Guardian,

During your student's orientation, a member of the nursing staff will be available to receive your student's medication as well as any updated immunization forms.

Please remember, at the beginning of each year it is **REQUIRED** by law that we receive a new 'Medication Administration' form completed and signed for any over the counter or prescription medication—These forms are available on the school website under the Parent tab, Nurse's Corner (student prescribed and non-prescribed medication forms), or in the school offices. The medication must be in its original container with the label matching the instructions on the Medication Administration form. It will not be accepted otherwise.

Thank you for your cooperation & we look forward to a happy, healthy school year!

Ms. Jamie Wilson, BSN, RN Licking Valley District Nurse

Mrs. Erin Patterson, RMA, EMT-B Licking Valley Clinic Coordinator
