2018 Leaders for Learning Award

Congratulations to Patty Ellick on Friday October 12th Patty received the 2018 Leader for Learning Award. The following is the Letter that Mrs. Crum wrote.

I nominate Patricia Ellick for the Leaders in Learning Award for her exemplary work in the field of technology. Patty has 35 years of teaching experience, with the past 14 years being in the Licking Valley School District.

Patty does an incredible job teaching Computer Integration classes to approximately 950 K-5 students. Not only does she focus on basic computer and keyboarding skills, but her primary focus is on using the computer technology as a tool for learning.

Her carefully designed lessons demonstrate collaboration with grade level teachers which enables her to design integrated content area lessons while teaching new technology skills. Her goal is to reinforce the curriculum being taught in each grade level through technology rather than a focus on the technology programs. This integrated approach focuses on real world application. Additionally, she focuses on computer etiquette and safety, as well as reliable internet sources.

Patty also does a commendable job reaching out to parent volunteers to assist with her younger students. She has a steady stream of volunteers who come to the school regularly to work in the computer classes. When faced with the challenge of working with the younger "click happy" students with mixed experiences in the area of technology, she found an effective and practical way to meet their needs.

As if teaching 950 students integrated computer lessons is not enough, Patty also creates the intermediate yearbook, assists with Youth to Youth and works as the Building Technology Coordinator. She puts in many hours to set up, tear down and troubleshoot the computer needs of both Licking Valley Primary and Intermediate Schools. She always approaches her work with a willingness to help others and a can do attitude.

Patty also develops strong relationships with students regarding their outside interests and activities. She attended many dance recitals, plays, games and competitions for her students. She also attends monthly Panther Parent Skate Night events and spends the whole time out on the floor teaching students how to skate. When serving 950 students that cannot be an easy task.

Patty's dedication to teaching and learning, as well as her passion for helping students learn and grow in the area of technology, make her an excellent candidate for the Leaders for Learning Award.

Patty was nominated by Sherry Crum, Licking Valley Intermediate Principal.

STEP Program Experiences

Three Licking Valley Staff members participated in the Summer Teacher Experience Program this summer. Shane Hancock, Deana Bennett, and Becky Lawrence were mentored in the workplace while working with different positions, skill sets, and work environments.

Shane spent one day at Boeing and gained tremendous insights into various possible career paths for Licking Valley students. The tour of the facility, hosted by Daryl Dickerson and several other engineers and department leaders, displayed the many possibilities for students after they leave high school. On the one hand, students who decide to continue their education in engineering certainly can find a rewarding career path in a company like Boeing. The atmosphere was exciting, the workload was meaningful (as it is important to national security), and the staff spoke about their jobs with enthusiasm and satisfaction. On the other hand, an engineering degree is not necessarily needed to land a job at Boeing. In fact, once someone's foot is in the door as a technician, for example, the company will fully fund their education in a science-related field. Many of the staff mentioned they were working on their degrees online or in evening classes. Other jobs, like welders and shop related jobs, were also needed in the facility. Boeing is active in reaching out to students in the local community as well. They have hosted programs and tours for students across the county to engage and excite students towards a STEM career. In fact, they recently hosted an entire class of seventh grade girls. The Boeing tour was very eye-opening, demonstrating the various possibilities for career paths after high school.

Deana and Becky spent three days at Family Jobs and Services. Under the direction of Nathan Keirns, they gained knowledge of services provided for our community. The wealth of resources strengthens the programs already available at Licking Valley LSD. Collaboration with specific individuals to address student and family needs such as Mental Health Awareness will be a great asset in the future.

Some of the services provided by Licking County Family Jobs and Services, but not limited to:

Ohio Means Jobs which is located in the Eastland shopping Center

Public Assistance

Family Services

Foster/Adoption

Adult Protective Services

Emergency Assistance

Licking Valley is very proud that about 1/3 of the LCFJS employees are Valley graduates.

Elementary Spirit Week

The LV Intermediate School's Renaissance organized a "Spirit Week" for the primary and intermediate students to participate. It was not a fundraising event, there was no cause or money needed to participate. It was for fun and to show our school spirit for the week of October 1st through October 5th. The themes each day were: Mismatch Monday, Twin Tuesday, Wacky Hair Wednesday, Throwback Thursday and Fan Friday. We saw great participation throughout the two schools all week.

You're Invited:

Middle School 3rd Annual First Responders Breakfast and Luncheon

October 9, 2018, the MS hosted the 3rd Annual First Responders' Breakfast and Luncheon. Both breakfast and lunch were well attended, but at the luncheon there were over 200 first responders served!

Kudos to Becky Lawrence and the LVMS Renaissance Team for initiating this wonderful recognition that the first responders so appreciate and gives us a chance to appreciate them.

Please join Licking Valley Schools in congratulating our very own Kimberly Burghy whose artwork was chosen to be part of a juried exhibition. This is a great accomplishment as hundreds (sometimes thousands) of artists vie for a limited number of coveted spots in a juried art show. The artwork is judged by a group of artists (jurors). The jury doesn't see the artist, but only images of his/her work and application. It is quite an honor to be chosen! Please see information below:

The Ohio Arts Council's Riffe Gallery in collaboration with the Ohio Art Education Foundation presents a juried exhibition showcasing 46 art educators as artists. Members of the Ohio Art Education Association divisions of Elementary, Middle, Secondary, Higher Education, Museum, Supervision Policy and Administration, and Emeritus were invited to participate. Jurors: Carol Stewart, Elsie Sanchez, and Michael Seiler.

Hanover Toboso Licking Valley Alumni Scholarship
Winner Graduating class 2018

Congratulations to Ashley Schmoll, the Class of 2018 for Winning the Toboso Licking Valley Alumni Scholarship. She received a \$1,000.00 scholarship to help with her college expenses. Thank you to all the alumni for their generous donations to keep this happening. If you would like to make a taxable contribution please send payments to:

Licking County Foundation

Association Scholarship Fund
P.O. Box 4212
Newark, Ohio 43058-4212

Greetings Friends of Licking Valley

A new scholarship opportunity for graduates of Licking Valley High School was introduced earlier this year. This scholarship is made possible through the efforts of the Hanover-Toboso/Licking Valley alumni. We are excited to tell you that the first \$1,000.00 scholarship award was presented to Morgan Gossett and she and her family were recognized at the annual Hanover-Toboso Alumni Banquet. It is hoped that this annual scholarship presentation will be made for many years to come. Funding for the scholarship is a direct result of donations from Hanover-Toboso/Licking Valley alumni. Class contributions are also welcome and appreciated.

The Licking County Foundation, headquartered in Newark and a 501c-3 entity, will receive and administer the funds. Since 1968, the Licking County Foundation has awarded thousands of scholarships to college bound area students. In 2015, 405 scholarships were made available through the foundation, assisting local students with their college/university expenses. If you wish to learn more about the Licking County Foundation, please go to their website at www.thelcfoundation.org or contact foundation director Connie Hawk at 740-349-3863.

We are asking that you or your class alumni consider making a financial contribution towards the Hanover-Toboso/Licking Valley Alumni Scholarship Fund. Our goal is to raise and maintain a fund balance of \$25,000.00, so that it can be self-sustaining. As an incentive, an anonymous donor has offered to match any funds up to \$10,000.00. Any questions about the scholarship may be directed to Steve Price (740-319-1209) or Janet Friel (740-344-8606).

If you wish to make a tax-deductible contribution to the scholarship fund, you may do so by sending a check to the following:

Licking County Foundation
PO Box 4212
Newark, Ohio 43058-4212

Please indicate that the funds are for the Hanover-Toboso/Licking Valley Alumni Scholarship.

We thank you in advance for your consideration to this worthwhile cause.

Sincerely,

Steve Price, Licking Valley Class of 1959

Licking Memorial Hospital

Dental Clinic for Children

Licking Memorial Dental Clinic for Children

The Program

In partnership with the Licking County Foundation, Licking Memorial Hospital (LH) offers a dental clinic to serve uninsured, low-income children in Licking County. The Licking Memorial Dental Clinic for Children is set up in the dental practice of Keith A. Wing, Matthew P. Mack, Christopher P. Smith and Robert L. Bang, D.D.S., located at 1420 Dickerson Street in Newark. The Licking County Foundation has contributed toward the costs of services, supplies and office space.

Who Is Eligible?

- Uninsured children who are eligible shall meet the guidelines outlined in the Licking Memorial Dental Clinic for Children application (attached).
- Children who are covered by an Ohio Medicaid Managed Care Plan are automatically eligible, and completion of the application is not necessary. Call (740) 344-7853 to schedule an appointment.

How to Apply for Assistance

- Complete the application.
- Submit the application to the dentist's office.
- The office will contact the patient and schedule an appointment, if eligible.

Prior to scheduling an appointment, please complete the Licking Memorial Dental Clinic for Children application on the attached page and return it to:

Licking Memorial Dental Clinic for Children
Keith A. Wing, Matthew P. Mack, Christopher P. Smith and Robert L. Bang, D.D.S.
1420 Dickerson Street
Newark, Ohio 43055

If you have any questions or need assistance in completing the application, please call the Licking Memorial Dental Clinic for Children at (740) 344-7853.

Income:

You must provide the amount of your family's total gross income for the three months or twelve months immediately prior to the date(s) of service for which you are requesting assistance. This must include income for all members of the immediate family living in the household. You must write the total gross income in the space provided on the application. Additional

documentation of income is not required to be returned with the application. However, you are responsible to maintain supporting documentation of the income reported. In the event of an audit, you will be required to produce acceptable documentation.

Examples of acceptable income verification include:

- Check stubs for the three months or twelve months prior to the date of service.
- Documentation of Social Security, unemployment compensation, alimony, child support or pensions. If you do not have documentation to support these income sources, you should contact the issuing office to request a statement of income for the appropriate time period. If an employer's statement of gross income is used, it must be signed and dated by the employer and must be printed on company letterhead. Self-employed applicants must provide gross income, less reasonable business expenses. Personal expenses are not permitted. In the event of an audit, acceptable income verification includes Tax Schedule C.
- If you earned \$0 income for the three months or twelve months prior to the date(s) of service, provide a brief explanation on the back of the application or on an attached sheet. Your explanation must include the beginning and ending dates of the period in which your family earned \$0 income (3 or 12 months prior to the services for which you are applying for assistance).

Family:

For the Dental Clinic Program, "family" is defined as the patient, patient's parents and patient's siblings (under the age of 18, natural or adopted) living in the patient's home.

To be eligible for the Dental Clinic Program:

- You must be a Licking County resident.
- Your household income must not exceed 250% of the federal poverty income guidelines.
- Patient must be under the age of 18.
- Cannot be eligible for Medicaid or covered by dental insurance.
- Patients covered by an Ohio Medicaid Managed Care Plan are automatically eligible.
