## Licking Valley Local Schools Are Tobacco Free

The Licking Valley Board of Education prohibits the use of all tobacco products including but not limited to cigarettes, cigars, pipes, snuff and other smokeless tobacco at all school sponsored student activities by students, staff, visitors, or guests in all school district buildings, property, and vehicles. Tobacco use is also prohibited by students, staff and volunteers at all events away from school property where they represent the school district.

## Search for Children with Disabilities

School districts throughout Ohio actively participate in an effort to identify, locate and evaluate all children with disabilities birth through age 21. By disability, we mean conditions such as multiple disabilities, hearing impairment, visual impairment, orthopedic impairment, other health impairment, emotional disturbance, cognitive disability, specific learning disability, speech and/or language disability, autism and traumatic brain injury. Many children with disabilities are not visible because they do not function in the main stream of the community. Also, many unidentified children with disabilities are preschoolers. Parents may not be aware that programs and services are available. If you know of a child with a disability, please contact:

**Kelly Roudabush, School Psychologist, 763-3105 or  
Jan Clayton, Coordinator of Student Services, 763-2897.**

## The Title I Reading Program at Licking Valley

Title I is a Federal Aid program through which most Ohio School districts receive funding each year to provide supplemental instruction for those students who qualify. To receive these funds, each state must submit a plan describing:

- What children are expected to know and be able to do;
- The high-quality standards of performance that all children are expected to meet;
- An ongoing record of student progress through assessment.

The Title I funded schools must work to:

- Identify students who are failing, or most-at-risk of failing, to meet state standards in reading or math
- Focus instruction to meet the specific needs of each child
- Develop programs that add to regular classroom instruction
- Involve parents in all aspects of the program.

Our Title I targeted assistance Reading Program provides intensive instruction to help our low-achieving children in grades K-5 master challenging curricula and meet state standards in reading. Our Title I teachers work closely with their students' regular classroom teachers in designing their extra instruction.

Parents are invited to contact Title I teachers, regular classroom teachers and principals with any questions regarding information about our program.

**Jan Clayton, Coordinator of Student Services,  
763-3525**

## Transportation Department

Due to the fact that we have a number of buses that are either full or extremely close to full each day, the Licking Valley Local Schools Transportation Department has a policy that all requests for bus passes for students to be dropped at locations other than their regular stops will be approved only in emergency situations. Unfortunately, a request to have your child go home at the end of the day with a friend does not constitute an emergency situation. It would be unfair to allow students to ride home with friends on buses that are not full while students on full buses are not able to, so this policy is in effect for ALL buses. Final approval for all requests for bus passes must come from my office. Parents are welcome to contact me at 763-3775. Thank you for your cooperation.

### School Lunches 2012 - 2013

Grades K-5 . . . . . \$1.80  
Grades 6-12. . . . . **\$2.25** (increase)  
Adults . . . . . **\$2.25** (increase)  
Milk. . . . . \$ .40

### School Breakfasts 2012 – 2013

Free to **ALL** Students and Staff

Licking Valley Schools are on a 4-week cycle menu. Elementary students will receive a magnetic menu at the beginning of the school year. Color coded card stock menus will be sent home for all Middle and High School students or you can access the menu through the district website: [www.lickingvalley.k12.oh.us/DistrictOffice](http://www.lickingvalley.k12.oh.us/DistrictOffice)

Licking Valley Local School District offers a **MENU LUNCH** as well as alternate lunches at all schools. Elementary students not wishing to eat from the cycle menu have the option of a daily sack lunch consisting of: *peanut butter and jelly uncrustable or lunch meat sandwich (alternately), fruit, vegetable, treat and milk.* Intermediate students are also offered salads, fruit/vegetable trays and sandwiches. These options are available at the Middle and High School as well as other hot lunch choices. Alternate lunches (Build-A-Lunch Options) are the same price as the menu lunch and are available to all students regardless of lunch status (Free, Reduced, or Full Pay).

Free/Reduced lunch applications can be completed on line by going to [www.lickingvalley.k12.oh.us](http://www.lickingvalley.k12.oh.us); Parents Link or paper applications are available upon request from the school secretary at each building. A \$5 Cash Lunch Bonus is offered each year to encourage all households to complete the application process.

All school sites are currently using the NutriKids Point-of-Sale system. Online payments for lunch can be done through the District EZPay System or money can be sent to school with your student.

If your student has any food allergies or you have any questions or concerns about the district's food service program, please feel free to contact me at [jenningsj@lickingvalley.k12.oh.us](mailto:jenningsj@lickingvalley.k12.oh.us) or by phone at (740) 763-2433.

### NEW SCHOOL MEAL REQUIREMENTS

Congress passed the Healthy Hunger Free Kids Act last year. As a result, USDA has released new nutritional meal requirements that all districts must meet. These new federal rules are mandated for the 2012-2013 school year. Knowing that changes were likely to take place, Licking Valley Food Service has already been gradually making many of these changes.

#### Biggest Changes:

- Students now will be required to have 1/2 cup fruit or vegetables on their tray for it to count as a full (reimbursable) meal.
- We are now limited as to how much meat/meat alternate (cheese, yogurt, etc.) and grains we can offer. This means main entrees may not be as large as they have been. Remember, though, that there are more fruits and vegetables available than there have been.

#### What We're Already Doing:

- Half of all grains offered must be whole grain. Almost all of our grains offered already meet this requirement.
- We must offer vegetables from the following groups each week: dark green, orange/red, and legumes. We then have the option to include starchy and other vegetable. We implemented this change with last year's menu, so students won't see a noticeable difference.

#### How You Can Help:

- Encourage your children to try new things at home and school.
- Join your child for lunch and or breakfast anytime.
- If you have questions or concerns, please feel free to contact us. We're here to help!
- Contact Jan Jennings, Cafeteria Supervisor, with questions at (740) 763-2433 or [jenningsj@lickingvalley.k12.oh.us](mailto:jenningsj@lickingvalley.k12.oh.us)

### **ATTENTION PARENTS!!! CONTACT INFORMATION UPDATES ARE IMPORTANT!**

As you know, our school secretaries keep contact information on file for all of our students, including home phone, cell phone, and email data for all emergency contacts for each student. It is critical that parents make a special effort to notify your child's school promptly when any contact information for your student changes. The contact information on file is used not only by your child's school, but also by our transportation department in the event that a bus situation requires us to contact you. Also, our **Leader Alert** instant messaging system uses contact information for any recorded messages sent by the district, such as snow day notifications. We also use email address information for distribution of parent email messages during the school year. It is vital that all these departments have the most current information on file so that we can contact you if the need arises. So, please make sure to call the secretary at your child's school and update them on any phone number or email address changes. Should you have students at more than one building please contact each school to make sure they have the updated information as well. We can only keep our records current based on what our parents provide, and we appreciate your help in making sure your information is up-to- date.
