# ATTENTION! PARENTS AND STUDENT ATHLETES

Licking Valley is once again partnering with Licking Memorial Hospital to offer free sports physical to all athletes grades 7-12. Boys physicals will be on June 4<sup>th</sup>, girls will be on June 8<sup>th</sup>. Both days, physicals will start at 5:00. A parent must be in attendance in order to participate. There is a big change in regards to the physical forms this year that we need to make you aware of. Packets are available in the high school and middle school offices that contain the paperwork necessary for the free EKG screenings that are conducted at LMH. You can also find that paperwork here:

<http://www.lmhealth.org/Community/Community-Support/Sports-Physicals.aspx>

**These forms are only needed if you plan to participate in the LMH physicals.** If you wish to see your own physician instead, you will not need to fill out these forms. Please be advised, you will not need to participate in ImPACT testing during these physicals because it will be done here at Licking Valley for all athletes in football, HS volleyball, soccer, HS basketball, wrestling, baseball, and softball. Other sports are not mandated to test due to the lower risk of concussion, but if you wish to have your child tested please feel free to call the high school at 763-3252, and we will be happy to schedule a time for your child to be tested.

For incoming 7<sup>th</sup> and 8<sup>th</sup> grade athletes, you may still use the following physical form:

[http://www.ohsaa.org/medicine/PPE\\_2015-16.pdf](http://www.ohsaa.org/medicine/PPE_2015-16.pdf)

Please fill out this form and present it on the night of physicals.

All incoming 9<sup>th</sup>-12<sup>th</sup> grade athletes, your process is now different.

The following will be your physical form:

[www.e-ppe.com](http://www.e-ppe.com)

Type Licking Valley in the search box and follow instructions on how to fill out the form.

**You will need to fill out this form, print it, and present it on the night of physicals.** This form is a bit lengthy and will take some time to fill out, so plan accordingly so you are prepared. This new process may seem tedious, but we highly recommend you use this form, even if you are not participating in the LMH physicals, because your child's medical information will be more secure with this form, it simplifies the process in future since the site will save all your information, and it allows our medical staff the ability to see any information in your child's history they may need to know during an evaluation on the sideline.

We know this is a big change and can be confusing, so if you have any questions about the process, the **PrivIT** help desk will be able to help you with any issues on the physical. Their information can be found on their website. You can also call the high school at 740-763-3721 with any concerns.

**ATTENTION**

**NEW PROCESS, please read carefully!**

## New Educational Options Program at LVHS

We are excited to announce that under our Educational Options Policy, the Licking Valley Schools is launching a new **Educational Options program**. This program will provide new and exciting opportunities for all LVHS students. We have partnered with ACE Digital Academy, an online curriculum and education provider to offer up to 200 online courses to our high school students. This program is designed to meet two basic needs. One need is to help the roughly 7% of our students who do not graduate each year. Many of these students are, for one reason or another, unable to succeed in the traditional high school instructional program and environment. This online option will provide them with an **alternative to the traditional high school** program and give them another avenue to earn their Licking Valley High School diploma. We would like to bring back to Licking Valley our students who are currently enrolled in other online, community and charter school programs, and students who have dropped out of LVHS but who really want a diploma from Licking Valley High School. If you know a former LV student who didn't graduate, please share this information with them. Licking Valley currently loses almost \$350,000.00 annually to community and charter schools such as Newark Digital Academy when our students drop out and enroll in those schools, and the vast majority of them never acquire a diploma of any kind.

The other need is to offer **additional internet-based elective courses** to all of our students. These electives include various foreign languages such as French, German, Japanese, Latin and Mandarin Chinese. There are also electives such as art history, business and technology, Microsoft Office Software courses, career exploration and various Advanced Placement (AP) courses not currently available at the school. There is also an online ACT Preparation course available through this program. We will also be able to offer **credit recovery** and **summer school** courses through the Educational Options program!

If you are interested in Educational Options, either to complete your high school diploma or for the elective options, please contact **Mrs. Aimee Twiggs**, Licking Valley High School teacher and Educational Options Coordinator, to take advantage of this exciting new educational opportunity. Mrs. Twigg's email address is [twiggsa@lickingvalley.k12.oh.us](mailto:twiggsa@lickingvalley.k12.oh.us). You may reach her by phone at 763-3721.

# Licking Valley FFA Awards Membership

The Licking Valley FFA held its annual Parent/Member Banquet May 20 in the Elementary commons. Over 200 members and guest joined in the activities. Mr. Noel Bell was chosen by the members as the Honorary Chapter Degree winner. Mr. Bell has assisted the chapter with time, devotion and help with livestock and chapter projects.

Other winners for the evening for outstanding membership were Hunter White, Star Agribusiness; Hunter is a junior whose Supervised Agriculture Experience is job placement at R&M Bakery. Ashley Dillon was awarded the Star Chapter Farmer for being the top upperclassman for SAE and FFA participation. Jordan Ellis and Amanda Hood were awarded the Star Greenhand. The Star Greenhand is awarded to the top first year member.

Proficiency awards are awarded to members who show outstanding achievement with a particular animal, crop, or area of interest. The winners were Ashley Dillon for beef production. Sam Bell; agriculture mechanics and repair, small grain production, and forage production. Zoe Moran; swine production. Taylor Banks; small animal production. Chase Bravard; fruit and vegetable production. Keith Chappalear; forestry products. Taylor Evans; equine management placement. Shannon Greenawalt; horse production. Duncan Freeman; poultry production. Fischer White; goat production. and Hunter White for agricultural processing. Each member was awarded a plaque and award pin for their FFA jacket.

Others honored were the top FFA Fruit Salesman with Spencer and Sam Bell 1<sup>st</sup>, Jordan Ellis 2<sup>nd</sup> and Taylor Evans 3<sup>rd</sup>. Many members received awards for their participation in various skills contest. Being recognized for their achievements for obtaining the State FFA Degree were Ashley Dillon and Taylor Evans and for receiving their American FFA Degree were Brock Bradley, Cara Dillon and Joshua Ellis. The Licking Valley FFA Alumni scholarships were awarded to Brenda Moran, Taylor Evans and Jacob Roe. The James Devine Memorial Scholarship was awarded to Zoe Moran.

Members and guest enjoyed a meal prepared by Grillin' Dave Style and a slide program by the Ag Business class. Mr. Ellis, LV FFA Advisor would like to thank all the parents, FFA Alumni, community members and teachers who have made this a productive and successful year.

# read for 20

Read together 20 minutes every day.

---

The Children's Reading Foundation of Licking County

Remember that you are your child's first and best teacher, and over the long summer months when students are not in school, you are there ONLY teacher. You can keep your student's academic skills sharp with an hour or less of reading and math per day. Establish a time during the day when your elementary child is required to read for at least 20 minutes per day and do 20 minutes of math practice appropriate to their skill level, and at least 30 minutes per day for your middle schooler or high schooler. Think about that . . . for an hour or less a day your child can continue learning and growing over the summer and come back to school ready to start a new, challenging school year. If you need books for your child, come into our District Office, or call at 763-3525, and we will get you books appropriate to the age and skill of your child. For math exercises check the internet, there are a number of websites that offer math practice items for free, like [khanacademy.org](http://khanacademy.org). If you are able to pay a small fee, [IXL.com](http://IXL.com) is an excellent website for math practice and one with which your child will be familiar because we use it here at school in elementary through middle school. It's not asking too much of your child to continue learning and growing over the summer. Make it part of their daily routine, you'll feel good about it and they'll be better off because of it. Remember, every adult helping every child learn and grow every day is our vision, and you are part of 'every adult' and the summer days are part of 'every day'!

## 2015 SUMMER FOOD SERVICE SITES

Summer is coming. You may be thinking about what your child will do for meals while school is out. The good news is that the U.S. Department of Agriculture has partnered in your local community with agencies to serve free meals. It's food that's in, while school is out. There are no income requirements, and any child under the age of 18 may come to eat.

Here is the information about the local Summer Food Sites:

SERVING DATES	TIMES	LOCATION
June 8 - August 17	11:30 – 1:00	The Salvation Army, 250 E. Main St., Newark, OH

## 2015 Kids' Grief Camp

Kids experience grief different than adults and can sometimes have a hard

time processing and expressing what they are feeling. Hospice of Central Ohio's Kids' Grief Camp is designed to help.

We welcome children ages 6-12 who have experienced the death of a loved one, and provide a safe, friendly environment where kids can learn about their grief.

This year's camp will take place June 22-26 at Saints Peter & Paul Retreat in Newark.

For questions or more information, please contact Maria Johnson at (740)788-1474.

# THE FAIRCHILD CHALLENGE

Changing the way we understand and live with nature

The Fairchild Challenge is an award-winning, interdisciplinary, environmental science competition designed to engage students of diverse interests, abilities, talents and backgrounds to explore the natural world. It is a competition that challenges and inspires students to become the next generation of scientists, researchers, educated voters, policy makers, and environmentally-minded citizens.

Students in middle schools and high schools around the country and the world are given 3 challenges to complete throughout the year. Throughout this

year, students in the P.A.C.E. program, Art Club, Digital Media Club, and Reading/Language Arts Classes teamed up to complete the following challenges.

Challenge 1: Plants and Their Pollinators

Challenge 2: Haiku Writing: Reflecting on Nature Around You

Challenge 3: Video: Public Service Announcement- Small Daily Change.

In Challenge 1, Meghan Nelson took 1<sup>st</sup> place with her Blueberry Bee entry and Jesse Flowers, Brandon Bishop and Brianna Tucker took 2<sup>nd</sup> place with their Button Bush Butterfly entry.

In Challenge 2, Licking Valley took 2<sup>nd</sup> place with their Haiku Poetry book. The following students contributed poetry to the book:

Artist: Brayden Sartin

Authors: Nora Christy, Jeriah Cooperrider, Felicia Bartley, Hayden Hile, Kayla Martin, Dalton Stewart, Hope Hawkins, Sidney Moore, Abbie Blume, Gabe Rodeniser, Rebekah Higgins, Faith Dishon, Logan Nethers, Rachel Guilliams, Grace Chesser, Brandon Ridenbaugh, Meghan Nelson, Becca Bazler, Lucy Morrison, Brianna Tucker.

In Challenge 3, Licking Valley took 3<sup>rd</sup> place with a public service announcement video written and produced by Logan Nethers, Nora Christy, and Luke Snelling.

Overall, Licking Valley placed 2<sup>nd</sup> in the competition winning a silver medal and prize money for environmental activities at the Middle School.

Congratulations to all students for a job well done!

### **Physical Education = Getting Fit For Life!!**

Sara Kramer, Physical Education Teacher  
Licking Valley Elementary

The Intermediate Panther Parents hosted a Color Run as a fundraiser on Sunday, May 17th. Throughout the 1 mile and 3.1 mile route participants were splashed with color.

It was a successful fundraiser that the Panther Parents plan on continuing for years to come. Plans are to include more activities next year.

## Chicks Hatch in 7th Grade Science Classes

Every year the 7<sup>th</sup> grade science classes spend the year studying life science and the development of from cell to organism. This year our students had the special opportunity to incubate and hatch several chicks as they learned about the parts of the egg and how a fertilized egg becomes a chick.

After much anticipation, ten healthy chicks were hatched!

## Eighth Grade Trip

The Middle School eighth grade class had another very successful trip with 185 students and parent chaperon's traveling to Antietam, Gettysburg and Washington DC. The educational experience was endless and the weather cooperated nicely.

Cole Zigan, Chase Whisner, Will Schneider and Lauren Montgomery represented the Licking Valley Community superbly as they placed a wreath at the Tomb of the Unknowns.

### Civil War Reenactors:

The eighth grade students got to experience the life of a Civil War soldier thanks to Licking Valley's own, Trent McArtor, Josh Montgomery and Cole Zigan. They brought their Civil War gear to the middle

school and demonstrated what a Civil War soldier experienced. Thank you fellows for sharing your knowledge and Civil War equipment.

## Leo Club Service Project Field Trip

Thursday, May 21st the Middle School Leo Club attended their first annual Service Project Field Trip. The Leo Club spends a lot of time throughout the year raising money to help worthy organizations around the Central Ohio area. However, for this field trip, Leos learned that donating your time is just, if not more, valuable!

The group went to the Licking Co Aging Program/Heritage Hall Senior Center on East Main Street. During this field trip our students had the opportunity to connect intergenerationally with Seniors in our Licking Valley Community. Our students were invited to Karaoke Thursdays where we were treated to renditions of "God Bless America" and "Hey Good Lookin'", and many other classics from the Seniors, and our students in turn treated them to "You're a Mean One Mr. Grinch", "Amazing Grace", Carrie

Underwood and other more current tunes.

The kids not only sang, but became great friends with Seniors. We even met a Licking Valley Graduate who was in the Madison Class of 1945! Mrs. Stafford overheard many residents mention they almost didn't

attend that day, but were so glad they did because "it was a breath of fresh air seeing young people out doing positive things"! We also had a group of students who helped prepare and serve the lunch that was provided for us. Students were rolling silverware, distributing food, and filling drinks for hungry patrons. They even pitched in with the craft table!

We were praised numerous times about our students and thanked profusely. The leader of the Program told us we had an open invitation to join them anytime and many of the Seniors hoped to see us again. Mrs. Stafford and Mrs. Fulk are so proud of not only their behavior, but their commitment to service and upholding the high expectations of a Licking Valley Middle School Leo.

# E lementary Art Show

The elementary art show was Thursday May 14th from 5-7pm. It featured student artwork, art-making activity tables run by the Panther Art Club, Hip Hop Dancing in the gym, a selfie-station, the Book Fair, a glass sun catcher workshop taught by local artist Abby Rice, and P.A.C.E.'s Night of the Notables. Thanks to all who helped and attended! We are so proud of our elementary artists!!

Also, this weekend fifth grader Karli Redfern, third grader Elijah Bender, and first grader Alyson Leaf were honored for their artwork at a reception hosted by the Central Ohio Art Education Association. Only sixty-one artists were chosen from 24 Central Ohio art teachers from thirteen counties for the juried exhibition. The ceremony was held Saturday at Rhodes Tower in Columbus. Congratulations to our young artists!

Congratulations to third grader Audrey Adkins for having her illustration chosen for the front cover of this year's LV Intermediate yearbook. Fifth grader Taya Sensabaugh's picture was chosen as the back cover winner. The intermediate school received eighty entries for the contest and 13 of these students were chosen as runners up. Congratulations and thanks to everyone for entering.
