

LICKING VALLEY LOCAL SCHOOL DISTRICT
Every adult helping every child learn and grow every day.

The Valley View

this opportunity to its parents. So what is **READY! for Kindergarten?**

The Licking Valley Local School District is excited to announce the kick-off of the **READY! for Kindergarten** program. This tried and true program was developed in the Kennewick Local School District in Washington State and is now a national program, yet the LVLS is the only district in the state of Ohio offering

READY! Vision

Children begin school ready for a satisfying and successful education through the grades and prepared to achieve their full potential.

READY! for Kindergarten provides essential training to support parents and caregivers in their role as their child's first and most influential teacher.

- If you are a parent, this program helps you prepare your child for his or her first day of school and can enhance the bond between you and your child.
- If you are a school district or other sponsoring organization, **READY! for Kindergarten** can save costs over the long term by reducing the need for remediation. And it costs very little in the short term. By delivering this high quality program, you provide a vital contribution to the future scholastic success of tomorrow's students.

READY! Guiding Principles

- Honor parents as a child's most influential and most loved teacher
- Foster important early learning experiences for children birth to age five
- Instill children with a joy and zest for learning that lasts a lifetime
- Build relationships between parent and child and family and school

Through **READY! for Kindergarten**, it is our goal that by providing research-based lessons, high quality materials and superior (on-going) customer service, we can help nurture the learning potential of as many children as possible.

When it comes to learning, home is where the best start occurs. Young children learn best through active involvement with people they love and trust. That's family! They also learn best when repetition is frequent and in a secure environment. That's home!

LV Students Support United Way

For most of October, the Intermediate Elementary students can wear a hat on Fridays by donating a dollar to "Hats On" for United Way.

Students have so far raised over \$600.00. 50% of the money will be donated to the Licking County United Way and the other 50% will help support Duchenne muscular dystrophy.

Fourth grade teacher, Jodi Nichols has a son with Duchenne muscular dystrophy and will be participating in a half marathon at Walt Disney World in January through the Parent Project Muscular Dystrophy. The parent group strives to raise money to improve treatment, quality of life and long-term outlook for people

affected by Duchenne muscular dystrophy through research, advocacy, education and compassion.

Middle and high school students are also participating in "Hats On" and other fund raisers to help support the United Way program.

*Parents - Register for FREE Classes!

By attending class you will receive:

- **FREE BOOKS** to help with learning!
- **FREE TOYS** to make learning fun!
- **FREE TRAINING** on how children learn and grow!
- **FREE CHILDCARE** for children 12 months or older while you attend classes
(Parents with Children under 12 months are allowed to bring their child to class.)

* **Eligibility:** Your child must live in the Licking Valley School District, and not be old enough to enroll in public kindergarten.

Babies and toddlers are born learning.
Getting ready for kindergarten starts at birth!
