## ELEMENTARY ART DEPARTMENT

The Licking Valley Elementary Art Department is very excited to announce their new [artsonia.com](http://artsonia.com) art gallery. They are still needing parent permissions from over 500 students to post artwork on the gallery. The students' photograph will not be posted, only their first name and artwork. If you have not given permission yet and would like to, you can e-mail Mrs. Cannon at [cannonk@laca.org](mailto:cannonk@laca.org) or Mrs. Burghy at [burghyk@laca.org](mailto:burghyk@laca.org). Here are a few reasons why this is important:

### Artwork Notifications

Parents and fan members receive emails letting them know when new artwork is available to view online.

### Approve Comments

Parents and fans leave encouraging comments to help boost their child's artistic confidence. All comments must be approved by a parent before they become publicly visible.

### Invite Fan Members

Parents add friends and family to their child's fan club through their parent account. Fan members are alerted about new artwork and encouraged to leave comments or order keepsakes from our Gift Shop.

### Boost Fundraising Efforts

Parents and fan members are alerted when our Gift Shop has a promotion. Remember that 20% of all Gift Shop purchases are donated to the LVES Art Department for more materials towards better projects.

Please recycle your used Styrofoam meat trays by donating them to the elementary art. Parents can either send them with their children or drop the them off in Mrs. Burghy's art room on Nov. 10 during Primary conferences.

Don't forget to stop by your child's art room during conference time to see what we've been up to.

The Licking Valley School District has partnered with All Star Driver Education to offer our students an online driver education program that they can complete at their own pace and on their own time at a reduced price as compared to local options. The online driver education course costs \$79.00, and the required eight (8) hours of in-car driving instruction will cost \$329.00. The combined cost is a savings of approximately \$60 over other local options. Students will also be eligible to receive one-half ( ) elective academic credit for completion of the program, including the driving portion. To receive credit students simply have to complete both the online instruction modules and the eight hours of driving instruction and bring their certificate of completion to their guidance counselor.

The in-car driving instructors are local citizens who we know and who are licensed in the state of Ohio to provide driving instruction, and who will have regular criminal background checks to ensure the safety of our students.

If you have a busy teenager who doesn't have time to get to and sit through in-class driver education courses, this is an excellent option for you, especially when your student has their own personal computer. If you are interested in pursuing this option simply go to this website <https://www.allstardriveredonline.com/register.php?id=24> and create an account, and when your student is ready to do the in-car driving instruction just have him or her contact Jane McKee at the district office, 763-3525.

## Photo Release Form

I, the undersigned, do hereby consent and agree that Licking Valley High School, its employees or student volunteers, have the right to take photographs, or digital recordings of me and my daughter, beginning on November 22, 2015 throughout the duration of the 2015 Daddy/Daughter Dance. These photos will be for the purpose of promoting this event and any future Daddy/Daughter Dance events to come.

I do hereby release to Licking Valley High School, its agent, and employees all rights to exhibit this work in print and electronic form publicly or privately and to market and sell copies. I waive any rights, claims or interest I may have to control the use of my identity or likeness in whatever media used.

I understand that there will be no financial or other reimbursement for any expense or liability incurred as a result of my participation in this recording, including medical expenses due to any sickness or injury incurred as a result.

I represent that I am at least 18 years of age, have read and understand the foregoing statement, and am competent to execute this agreement.

Greetings Fellow Alumni:

September 28, 2015

At the 2015 Hanover-Toboso Alumni Banquet it was decided to establish a scholarship fund for graduates of Licking Valley High School. The goal is to be able to award \$1,000.00 annually to a Licking Valley student who wishes to further their education by attending a college or university. We plan to begin the award with the 2016 class. This is an exciting time for the association and we are looking forward to an increased interaction between all Hanover, Toboso, and Licking Valley alumni. As a kick-off to this new venture, we are in the process of establishing a scholarship endowment to be administered by the Licking County Foundation at our direction.

The Licking County Foundation, headquartered in Newark and a 501c-3 entity, will receive and administer the funds. Since 1968, the Licking County Foundation has awarded thousands of scholarships to college bound area students. In 2014, 327 scholarships were made available through the foundation, assisting local students with their college/university expenses. If you wish to learn more about the Licking County Foundation, please go to their website at [www.thelcfoundation.org](http://www.thelcfoundation.org) or contact foundation director Connie Hawk at 740-349-3863.

We are asking that you or your class alumni consider making a financial contribution towards the Hanover/Toboso/Licking Valley Alumni Scholarship Fund. Our goal is to raise and maintain a fund balance of \$25,000.00, so that it can be self-sustaining. As an incentive, an anonymous donor has offered to match any funds up to \$10,000.00. Any questions about the scholarship may be directed to Steve Price (740-319-1209) or Janet Friel (740-344-8606).

If you wish to make a tax-deductible contribution to the scholarship fund, you may do so by sending a check to the following:

Licking County Foundation  
PO Box 4212  
Newark, Ohio 43058-4212

Please indicate that the funds are for the Hanover/Toboso/Licking Valley Alumni Scholarship.

We thank you in advance for your consideration to this worthwhile cause.

Sincerely,

The block contains two handwritten signatures in cursive. The first signature is 'Steve Price' and the second signature is 'Janet Friel'. They are written in dark ink and are positioned one above the other.

## School Pays Off in Success and Money!

Mark McDaniel, Director of Student Services

Many students do understand the importance of school and learning and some do not. Therefore, some students do not work up to their potential in school. It can be hard to convince students that there can be problems ahead when they do not study or complete work in school. Their future outside of school seems so far away at times.

Financial gain should never be the main goal for learning, but sometimes it can motivate students to do their best. Earning power is directly connected to the amount of education a student receives in their lifetime. The Department of Labor provided the following information on mean weekly earnings for people 18 and over in a 2010 report. These statistics are ranked by the highest level of education:

|            |                     |
|------------|---------------------|
| \$1,532.00 | Doctoral Degree     |
| \$1,257.00 | Master's Degree     |
| \$1,028.00 | Bachelor's Degree   |
| \$761.00   | Associate Degree    |
| \$626.00   | High School Diploma |

A study of high school dropouts showed that the longer a student spends in school, the more income they earned. More school, more income! Education plays an important part in lifelong success and future earning power. It also means they will be less likely to be unemployed. It is important to encourage all students to do their very best in school and set some personal goals which include technical school or some college.

Here's a fitting quote from a 2010 article by Dr. Sylvia Rimm, Ph.D.,

***"Education: It pays for the rest of your life."***

# LVHS

My name is Ashley Wireman and I am a sophomore at Licking Valley High School.

I like drawing, both traditionally and digitally, and I also like animating. I'm considering going to CTEC next school year.

After high school, I want to go to college for either animation or film production. I have checked out several colleges so far, including CCAD, Ohio University, and Kent State, but I would like to check out colleges in other states as well. I haven't decided yet, but I would like to become an animator or work behind the scenes on movies.

# THE FAIRCHILD CHALLENGE

Changing the way we understand and live with nature

The Fairchild Challenge is an award-winning, interdisciplinary, environmental science competition designed to engage students of diverse interests, abilities, talents and backgrounds to explore the natural world. It is a competition that challenges and inspires students to become the next generation of scientists, researchers, educated voters, policy makers, and environmentally-minded citizens. Dawes Arboretum in Newark is sponsoring the Fairchild Challenge for Licking County and the surrounding area.

Students in middle schools and high schools around the country and the world are given 4 challenges to complete throughout the year. Students can earn prizes and recognition for their entries in this competition. So far this year, students in the P.A.C.E. program have worked together to complete Challenge #1: People and Edible Plants. Students had to complete a photo essay depicting the relationship that people have with plants. Licking Valley students took 1<sup>st</sup> and 2<sup>nd</sup> place for the Middle School division. Meghan Nelson took 1<sup>st</sup> place with *"From Patch to Pie"* with 107.66 points and Logan Nethers, Ainsley Decker, Luke Snelling and Delaina McWilliams took 2<sup>nd</sup> place with *"From Seeds to Surplus"* with 97.33 points.

## Middle School:

- 1st place     *"From Patch to Pie"* with 107.66 points, Licking Valley Middle School
- 2nd place     *"From Seeds to Surplus"* with 97.33 points, Licking Valley Middle School
- 3rd place     *"Salsa"* with 92.33 points, Liberty Middle School

## Licking Valley Panther Community:

The Licking Valley Middle School is inviting you to help support one of our 6th grade students, Matthew Jarrett, who is currently undergoing cancer treatment. Matthew recently had surgery which requires a lengthy hospital stay. He will then start chemo. The rest of the journey is unknown at this point.

***We have the following fundraising efforts to support the Jarrett Family:  
Fundraising will be ongoing until Friday, December 11***

**"Mocha and Muffins"** will be served by the Renaissance Leaders at breakfast on Friday, Oct 30, for donations.

**Raffle Tickets for Roosters Coupons** (in two denominations) can be purchased by students each week. Tickets will cost 50 cents each for a chance at a five dollar coupon. Five lucky winners will be chosen at random. Students may also purchase a ticket for a twenty five dollar gift certificate. Each ticket will cost a dollar. One winner will be chosen each week

**\$5.00 Roosters Coupons** will be offered for each five dollar donation. Coupons expire at the end of 2015 and can not be used as take out. Limit one coupon per visit.

**O.S.U. Quilt** FOR RAFFLE: beautiful as a wall hanging or bed cover. Approx 64" x 74". Raffle tickets are \$1 each or 6 for \$5.00. Tickets can be bought at any time by students or adults, including at the Fall Festival and Parent-Teacher Conferences. **Would make a fantastic Holiday Gift!**

**Interested in buying a football signed by  
Urban Meyer or Archie Griffin?!**

The Middle School is conducting an online auction. Each football will be sold separately to the highest adult, verified bidder. Details/Bidding can be found **HERE** or go to <https://goo.gl/RsqUsi>
